Memo:

Docket No 380 dated 4th December/78 from the Commissioner of the Nandidroog Division -

With his docket marginally noted, the Commissioner submitted the Irrigation Cess Fund Budget of the Kolar District for 1879-80, in which the Dy Commissioner had entered a sum of Rs 5,535/- as remaining at the credit of the Fund.

2. The Budget having been referred to the Dy Accts General for verification of figures, Mr Hudson stated that there was no credit under Kolar District.

3. In returning the Budget, the Commissioner was requested to submit an explanation on the point.

4. The Commissioner now states that the Dy Commissioner of Kolar reports that the Irrigation Cess Fund of the Gudibunda Taluk is 1/17th of the

the assessment collected on the wet & garden lands of the Taluk, as per Survey Supt's letter No. 596 dy 29th July 1877; & that this amount has been deducted in the Kasadiat statement class II No 7. Col: Pearse therefore requests that the necessary orders may be issued for the amount being credited to the Irrigation Cess Fund in the Treasury accounts.

x Not sent to this office.

5. Section XIV of the Revised Survey Guarantee, quoted in the margin for ready reference, provides for a lump sum equivalent to 1/17th of the annual revenue of a Taluk being set apart as "District Irrigation Cess Fund", but to enable the Treasury officer to do so, the Settlement Officer should give intimation of the amount annually. This has not been done in the present case. The Deputy Accountant General may now be requested to issue the necessary instructions to the Treasury officer to credit the

"The Irrigation Cess having been abolished as a separate levy of one anna in the rupee on the assessment of wet lands, it will be hereafter merged in & collected with the ordinary assessment of such lands, & at the settlement of each Taluk a lump sum equivalent to the amount of the cess so merged in the assessment will be set apart by the Settlement Officer out of the annual revenue of the taluk to form the "Dt. Irrigation Fund", which will be administered by the Dt. Committee, in the same way as the ordinary Local Fund, for the repair, improvement & reconstruction of works of irrigation within the Taluk."

the amount referred to in para 1.

6. The Receipts of the years 1878-79 & 1879-80 are estimated at Rs 5,600/-, which being added to the sum of Rs 5535 above referred to, the amount available for expenditure during 1879-80 will be Rs 11,135/-

7. The Expenditure proposed by the Deputy Commissioner amounts to Rs 8,000. The Dy Comm states that no Irrigation Cess Fund has not been collected from the Inamdars, the information required therefore not being available; & that provision is, therefore made only for the repairs of Govt tanks, many of which in the Gudibunda Taluk, are in bad condition.

8. The Budget may, I think, be passed subject to estimates & Notifications being submitted for sanction or acceptance, in the usual course.

9. As nearly 2 years have elapsed since the Gudibunda Taluk

Taluk has been settled, the Dr Commissioner may be requested to take steps to recover, without further delay, the Irrigation cess due by Inamdars, in accordance with provisions of sections XVII & XVIII of the Revised Survey Guarantee.

3. Docket from Comr. N.D. No. 380 of 4 Dec/78.

Order thereon. –

In the Irrigation Cess Fund Budget of the Gudibunda Taluk in the Kolar District for 1879-80 a sum of Rs. 5,535/- was entered as remaining to the credit of the Fund.

2. The Dy Accts General, to whom the Budget was referred for verification of figures, reported that no credits appeared in the Treasury accounts of the Kolar District under Irrigation Cess Fund in any past year. Order thereon:-

The returns called for in the above order have not yet been received from the Ashtagram Dy. The Comr. is requested to expedite them.

In the returns received from the Nandydroog Dy ~~Clerk~~ the amount of Irrigation ~~tax~~ cess levied in the assessment of wet and garden lands ~~under occupation in 1878-79~~ has been calculated in the Bangalore Dy Collector's Office at 1/17th of the assessment for the year 1878-79 ~~on the Bangalore and Kolar Districts and at 1/11th of the assessment~~ for the year 1877-78 in Immediately the accounts of 1878-79

not being ready in the latter Distt. It is however to be remarked that the arrangement sanctioned in regard to the Taluks settled since Feby 75 was to set apart ~~a certain~~ the Irrigation Fund of each Taluk calculated and determined at the time of the Settlement ~~upon~~ the same remaining unchanged during the currency of the Settlt., therefore no occasion to calculate the Cess upon the actual wet cultn. of each year. What was intended was the sum set apart as above mentioned for each of the Taluks settled since Febry 1875. ~~accord~~ as shewn in the Settlt. reports. ~~the years~~ Nor does the Irrigation Cess on wet Guntalands.

for Bangalore ~~Guntur~~ Kolar. The Dy. Comr. of Bangalore states that the Irrign. Cess on Garden lands will be brought to account after obtaining necessary sanction from the Inam Deptt., but as the Cess is separately collected & credited to the Irrign. Fund there is no occasion for including this amount in the return under notice.

The object of this reference was to ascertain from each Distt. ~~for such Taluks~~ settled since Febry 75 the Annual sum for the Irrign. Fund and the ~~years~~ for which the same is due, calculated from the date of the ~~year~~ for the commencement of the Settlt. on wet lands ~~has~~ actually collected & to which no such credit appears to have been yet given. -X.

From

Sir.

I have the honor to request instructions as to the manner in which Irrigation Cess is to be calculated as regards unsurveyed Jodi villages.

2. The Jodi villages the settlement of which had been completed by the Inam Department before 12th October /72 are not surveyed by the survey department (Vide Chief Commissioner's Notification No. 292 dated 13th Febry 1873) Para XVII of the Revised Survey Guarantee

Guarantee does not therefore apply to such villages. Para XVIII directs the levy of the Irrigation Cess at one anna per Rupee "upon the Revenue derived from wet lands" as regards unsurveyed Kayam gutta and Suvamanium villages. This rule would reasonably apply to unsurveyed Jodi villages, but as the para graph in question does not refer to Jodi villages I beg to be favored with Chief Commissioner's orders as to the course to be adopted.

Inams

In the Local cess statements received from the Bangalore and Kadur Districts for the year 1881/82, the Irrigation cess has not been properly charged on Kayemgutta and Inam villages. The Dy. Comr of the Kadur District remarks that the Irrigation cess was not charged under the authority of the Dewan's pro. No. 4701-9/133 dy 2nd September 1881, in which no mention is made of the I. cess. Probably, the Dy. Comr. alludes to the pro. No. 7416-25/225 ⊗ dy 17/12/81.

The marginal table shews the amounts included in the returns for the years 1880/81 and 81/82.

In the return received from the Chitaldroog District, the cess has been correctly shewn as usual. As this District had been surveyed before the Inams were settled by the Inam Department, the orders contained in the latter pro. do not apply to

it, and the Deputy Comr has, therefore, charged the proper cess.

No returns have been, as yet, received from other Districts.

As per Survey Rules Nos 17 & 18, page 54 of the Survey Manual, the Irrigation cess on Kayenguttu, Jodi & Inam villages, has to be co[illegible]lte as particularized below.

When they are not surveyed - On the revenue derived from wet lands, as certified to by Inamdars.

The amounts shewn in the statement annexed hereto, do not seem to have been calculated on either the Survey valuation or the revenue derived from wet lands.

The Annual Account class X-iv Showing the D. C. & B under local cess has been returned with secretary's Docket no: 4924/321 dt 18th December/83 for resubmission with the Irrigation cess merged in wet assessment duly included therein.

Copy attached[2]

In accordance with the notification no: 341 of H-2-75 published in the Mysore Gazette, this account was submitted last year as it was done in previous years, i.e. the irrigation cess merged in wet assessment was included in the ryotwar return and not in the local cess account now returned.

The question now for consideration is whether as suggested in the above Docket it is possible to deduct that item from the ryotwar return and include the same in Local cess account.

His No 464 of 8th Instant, resubmitting annual statement, Class 10 No 4 for 1882-83.

With reference to the above, observe that the Notification alluded to, simply directs that a lump sum equivalent to the amount of Irrigation cess merged in wet assessment should be set apart annually, but it does not forbid such amount from being deducted in the Nagadiyal returns. As the foot note made in the Babbur Local cess return merely states that Irrigation cess merged in wet assessment has been shewn for purposes of reference, and as the particulars of collection, remission & balance of the cess so merged cannot be ascertained from the annual returns, the Dy. Comr

was requested to furnish these details.

In returning therefore the statement of D. C. & B. under "Local cess" requesting that the Irrigation cess actually merged in net assessment may be included therein under the head demand with particulars of collection, remission & balance as per instructions given in this Office No 4503-5/197 of 22nd ultimo & the return resubmitted at an early date.

By Order

Under Secretary

4 From the following reasons it would appear that it is not possible to do as suggested.

5 1. Neither the Village Survey Accounts which treat of the D, C and B of each ryot nor the Treasury Accounts which treat of the actual collections specify this irrigation cess as a separate item. The Demand Collection and Balance having all been merged in the ryotwa it is impossible to specify it separately.

6 As required in Para 2 of the notification a lump sum equivalent to the amount of irrigation cess merged in wet assessment is particularized for the purpose of reference in the Babwar local cess return. Even this is only a rough estimate and correct figures cannot be given till a revised list is

74

is received as usual from the Survey Superintendent in accordance with paras 2 & 3 of the notification as also with reference to the recent redistribution of talukas.

As nine months have already been lapsed since the close of the year 1882-83 and all the accounts for that year have been closed instructions may be solicited to submit this and other accounts in any revised form from 1883-84.

Notifications by the Chief Commr of Mysore. General.
No: 341 Dy 11th February/75.

It is hereby notified for general information that the abolition of the irrigation cess as a separate levy in this Province having been sanctioned by the Govt of India, in letter no: 210, R, of the 29th August/74, the following rules are substituted for sections XIV, XV, & XVI of the Revised Survey Guarantee, published in the Mysore Gazette under notification no: 198 of the 9th February 1870.

XIV The Irrigation cess having been abolished as a separate levy of one anna in the rupee on the assessment of wet lands, it will be hereafter merged in and collected with the ordinary assessment of such lands, and at the settlement of each Taluk a lump sum equivalent to the

in the assessment will be set apart by the Settlement Officer out of the annual Revenue of the Taluk to form the "District Irrigation Fund" which will be administered by the District Committee, in the same way as the ordinary Local Fund, for the repair, improvement and reconstruction of works of irrigation within the taluk.

XV. In the malnad taluks the sum set apart to form the Irrigation Fund will be limited to such portion of the actual equivalent of the original extra cess as may appear to be fairly needed for the purpose for which the maintenance of a District Irrigation Fund is proposed, and any portion of the sum so set apart that cannot be advantageously utilized for such purpose may, with the sanction of the Chief Commr

be allotted as a grant-in-aid to the "Ordinary Local Fund." of the taluk applicable to general improvements.

XVI. Whatever sum may be assigned as above, at the settlement of a taluk, as the quota of the "District Irrigation Fund", will remain as the fixed allotment for this purpose during the currency of the Settlement.

XVII. The Irrigation cess will similarly, merge in the future survey valuation of all wet lands held in inam whether in Govt. villages or in whole inam villages and 1/17 of such valuation will be collected similarly to a Jodi but under the designation of "Equivalent of the Irrigation cess", separately from and in addition to the quit rent leviable on such lands or villages and be carried to the account of the "District Irrigation Fund."

XVIII. Kayamgutta and Sarva-manya villages shall pay

Local Fund at the rate of one anna in the rupee, the former at the fixed Kayam patta rent and the latter on the recorded value of the inam. Where such villages have been surveyed, the same course will be followed as that laid down for inam holdings in the preceding Section where "they have not been surveyed the "Equivalent of the Irrigation Cess" will be levied under that designation at the rate of one anna in the rupee on the revenue derived from the wet lands under cultivation within their limits as certified to by the holders of such villages and the amount so realized will be carried to the account of the "District Irrigation Fund".

General No. 100
No. 3

His No 501 of 31st December last, stating that the particulars called for in this Office No 4924/232 of 18th Idem cannot be given for the year 1882-83 and forwarding the memo drawn up by the Head accountant of his Office on the subject.

With reference to para 6 of the memo sent up, it is observed that a revised list from the Survey Supdt is unnecessary. The rules Nos 14 & 15 contd in the late Chief Comr's Notification No 341 of 11th February 1875, simply ~~state~~ lay down the proportion ~~that amounts have~~ to be credited to the Irrigation Funds, but do not require the Survey Department to send in revised lists even when there are no territorial changes.

2 As the Taluks of the Kadur district were settled subsequent to Feb. 1875

General No. 3402
No. 182

With reference to his No 524 of 401 2d Instant, forwarding a revised return of Local cess for the year 1882-83, observes that altho' a delay of nearly 9 months has occurred in replying this Office docket No 4503-5 of 22d November last 197 yet the Irrigation cess merged in wet & garden assessment has not been included in demand & collection &c shewn separately as directed, but it has been simply entered in the statement for reference. It was ~~noted~~ reported that from the Nagadiyal return for the year 1883-84 the I. cess merged in wet assessment would be deducted & included in the Local cess return, but to no effect.

Taluk	Amount merged as per Survey Report	Amount merged in the wet & garden assessment of the villages recently transferred from other Taluks	Total to be deducted from the abgadiyal return
Shimoga	3,000 — " — —	Amount — On account of 9 villages transferred from the late Lakkavalli Taluk —	3200 + 9. cess as per preceding col.
do (on account of portion of late Anantapur Taluk transferred from Honnali Taluk)	200 — " — —		
Channagiri	" — " — —	do do of 33 villages transferred from Tarikere	Amount as per preceding col.
Shikarpur (on account of portion of the late Anantapur Taluk)	400 — " —	Nil	400 — " —
Sagar	2,500 — " —	Nil	3,100 — " —
do (on account of portion of Anantapur Taluk)	600 — " —		
Nagar	1,400 " "	Nil	1,700 — " —
do (on account of portion of Anantapur Taluk)	300 — " —		
Thirthahalli	2,000 — " —	Nil	2,000 — " —

However the Deputy Comr. in his letter No 1447 of 31st March last states that the 1. cess would be deducted from Rs by abstr for the year 1883-84. The statements received do not show that this has been done. The Local cess returns received as per old form and no statements have as yet been received in the Taluks as per form prescribed in Circular Office Ci. No 2130 of 9/4 addressed to the Deputy Comr is requested to explain reasons & submit them at an early date as possible. The 1. cess merged in wet & garden assessment in the General Taluks of the District as per form of Statement in the margin should be deducted from the totals at the end of the Nagadiyal Jamabandi statement herewith returned and included in the Local cess return to be submitted as above. The Collection, remission & balance should be separately shown for disputed in the circular referred to above.

The alteration to be made in the annual return class III No 2 & 5 & class X No 1, consequent upon the abolition of 1. cess from the Nagadiyal return, should be also noted.
